Please note that in the event of selected boats declining the Piestany start line, Reserve boats will be invited in order of the Junior European Championship selection lists.

BUCS – 2018 FISU University World Championships

It is intended to send a small team to the 2018 World University Championships in Szolnok, HUN on 10-12 August 2018. Selection for this event is governed by BUCS and a selection policy is being developed in conjunction with BUCS. Please note, selection is planned to take place at the June regatta and anyone wishing to be considered should contact Nick.fowler@britishcanoeing.org.uk to register their interest and get details of costs etc.

Olympic Hopes

As per the published 2018 Canoe Sprint selection policy, full information of the remaining places available at the July regatta will be published by 5pm on Friday 11th May.

Important Information – Senior European Championships 2018

On Page 6 of the 2018 selection policy, the policy provides the right to send the strongest team to the Senior European Championships in Olympic events. Confirmation has been received that the European Games in 2019 will form a part of the Olympic Qualification process for the Tokyo Olympic Games. The ICF announced on 30th April that more information on the Olympic Qualification System will be released to National Federations on 17th May at which point the International Panel will determine which boats will be sent to the 2018 European Championships as this event is the qualification event for the 2019 European Games.

Important information,

All athletes named within this publication and for crew boats (including reserves) are required to confirm which place(s) they will be accepting and/or declining to Justine.willmott@britishcanoeing.org.uk by midday on Thursday 3rd May 2018. If you require more information please contact Justine who will be able to assist with further information. Be aware that the final team may depend on crew boat configurations, the feasibility of doubling up, athlete decisions on racing different age categories etc. Coaches and athletes are encouraged to discuss these factors to ensure performances are optimised. For the sake of transparency, the panel will publish an update of the team by the 11th May following the first round of acceptance/declining.

Questions?

The International panel recognises that the selection policy can seem a complicated process and in the situation that you have a question about the application of the policy or wish to simply discuss an aspect of the selection process then we would welcome the opportunity to assist. If you have any questions, please contact the chair of the IP, Paul Dimmock - email paul.dimmock2016@gmail.com

Appeals

The British Canoeing selection policy has a three stage appeal process as outlined in appendix 3 of the policy. Please remember that **any appeal must be submitted within 48 hours** of the publication of this statement to the chair of the IP paul.dimmock2016@gmail.com

Finally

The standard of competition across all age groups and classes was very high indeed and a reflection of the hard work put in by all the athletes, coaches and clubs competing in this 2018 selection series. The International Panel wish to thank all competitors who competed for team places and the volunteers who delivered another excellent race and wish those selected a successful 2018 International season.

International Panel

1st May 2018

To assist with clarity on the full selected teams, the crew boats selected on 17th April 2018 are listed below. For the full statement please see the British Canoeing website news article on 17th April.
