

British Canoeing - Canoe Sprint & Paracanoe International Panel Statement

Tuesday 7th June 2022

Following the June regatta that took place at Holme Pierrepont over the Queen's jubilee weekend, this statement provides an update on Sprint and Paracanoe GBR senior team selection. The IP wish to thank all the volunteers who helped stage the event and acknowledge the challenging conditions at times experienced by the competitors and officials.

* Selected under 3.6.3 of the published policy

** Selected on the basis of having achieved the performance standard in the past 12 months and that there are only two eligible athletes in each event.

VL2 Men

As a result of suspending the selection of Va'a events due to the weather conditions, there will be one final opportunity for the two eligible athletes who have yet to demonstrate the published performance standard to be selected.

In line with the principles of the policy, Ed Clifton & Stewart Clark will be given three final opportunities on one single day to demonstrate the minimum performance standard. Any of the above athletes who demonstrate one performance inside the published standard will be selected to the 2022 World and European Championship Team.

A date will be agreed following discussion between the athletes involved and the Paracanoe staff.

Important Note - Selected athletes are required to confirm the uptake of their place with Dawn.keall@britishcanoeing.org.uk by 5pm on Thursday 7th June.

Canoe Sprint World & European Championship Team Announcement

The International Panel received a significant number of requests for exceptional circumstances in line with section 16 of the published policy. As a result the IP has considered each request and is now communicating its decisions.

In order to comply with the process laid out in the policy (in particular section 12.1 of the policy), only now that the outcome of the exceptional circumstances requests has been determined can the conversations take place with athletes.

The IP therefore regret that as a result, the announcement of the Canoe Sprint Senior World & European Championship teams will be delayed until Friday 10th June at 5pm in order to ensure that the published process is followed.

Questions?

The International panel recognises that the selection policy can seem a complicated process and in the situation that you have a question about the application of the policy or wish to simply discuss an aspect of the selection process then we would welcome the opportunity to assist. If you have any questions, please contact the chair of the IP, Paul Dimmock - email enquiries.internationalpanel@britishcanoeing.org.uk
