K2 1000m	No Nominations	K2 500m	No Nominations
		C2 500m	Ruth Bennett Afton Fitzhenry

Athletes are reminded that the purpose of this announcement is to encourage additional crew boats to be formed and contest the April crew boat selection trials.

On behalf of British Canoeing, the International Panel to thank all those who have put themselves forward through the assessment process over the last few months and acknowledge the commitment made by all to the crew boat assessment process.

Mitigating Circumstances

A request has been received to invoke the mitigating circumstances clause contained in the policy supported by documented medical evidence from Beth Gill as a result of an injury incurred during training. Having considered the request and performance data, The International Panel will select the top Women's C2 500m crew on 14/15 April and will hold the second World Cup place open in WC2 500m. On 17th April the detail will be confirmed of a single race off between the crew of Bethany Gill/Chloe Bracewell and the crew finishing second at the 14/15 April selection trials in this event.

Important Information:

Following the postponement of the final junior crew boat trials due to bad weather this week, the junior crew boat nominations as outlined will now be published on the 13th March.
