Questions?

The International panel recognises that the selection policy can seem a complicated process and in the situation that you have a question about the application of the policy or wish to simply discuss an aspect of the selection process then we would welcome the opportunity to assist. If you have any questions, please contact the chair of the IP, Paul Dimmock - email paul.dimmock2016@gmail.com

Appeals

The British Canoeing selection policy has a three stage appeal process as outlined in appendix 2 of the policy. Please remember that any appeal must be submitted within 48 hours of the publication of this statement to the chair of the IP paul.dimmock2016@gmail.com and andy.maddock@britishcanoeing.org.uk

Finally

The International Panel wish to thank all competitors who competed for team places over the weekend and the volunteers who once again gave up their time. In particular to acknowledge the athletes and clubs flexibility and the volunteers going the extra mile to facilitate the longer days following the poor weather on Saturday. Finally we wish those selected a successful 2019 International season.
