

DRAFT British Canoeing 2024 Junior Kayak Cross Team Selection Policy

The IP shares this draft policy for consultation and welcomes all feedback to help the development of the 2024 policies. The policies represent the decision to base the disciplines of Canoe Slalom and Kayak cross on their own selection process in order to select the strongest team. Understanding the costs involved and volunteer time, a two venue Canoe Slalom process is combined with kayak Cross selection.

Please feedback on the policy [HERE](#) by Midday on Monday 13th November 2023.
