As you will see from the 2023 selection policy, the feedback received through the consultation process was very helpful and the IP has elected to keep the method of the selection process the same as used in 2022. All qualifiers to canoe slalom selection are eligible to register and enter the kayak cross selection process which takes place alongside the canoe slalom event at Easter 2023. There will be a final opportunity to qualify for kayak cross selection in early 2023 which will be announced during January.

Finally – Don't for get to register:

All athletes wishing to be considered for selection to a 2023 Great Britain Canoe Slalom & Kayak Cross team should register for selection in order to confirm eligibility. The registration process can be completed [here](#) and should be finalised **by 12pm on Thursday 16th March 2023**.

And make sure you enter too as registration is not entering the race!
