

EVENT SAFETY MANAGEMENT ROLE OF DISCIPLINE COMMITTEES

1. Work with British Canoeing to implement and maintain a system of Event Safety Management which covers events run by Discipline Committees or organised on their behalf (by clubs).
2. To appoint Safety Officer/s to the Committee and ensure they have undertaken British Canoeing's Event Safety Management training.
3. Ensure all events have a Risk Assessment and/or Safety Plan in place and that event organising bodies have a trained Events Safety Officer who has written or approved the event risk assessment.
4. Authorise applications to run events which form part of the Discipline Committee's events calendar, upon the receipt of the event Risk Assessment and/or Safety Plan.
5. Keep records of event applications and note the receipt of an accompanying Risk Assessment and/or Safety Plan.
