

RECALL NOTICE

Product recall Palm AP2000 helmet product code CH004/10409

This recall relates only to products with white cradles manufactured before December 2016.

Brand: Palm Equipment International Ltd

Model & number: CH004. Also identified in price lists and catalogues by Palm as 10409

During the course of testing, the foam liner of a helmet (CH004) manufactured in 2014 failed an impact test and may present a risk of injury to a user of the product.

If you have products affected by this recall contact Palm to receive your replacements.
